Wolfe's Observes 50 Years

When a community is still well under 60 years of age, a business that has occupied the same location in that community for 50 years can truly be said to be one of the pioneer businesses and to have grown up with the town.

Wolfe's Hardware is marking such a milestone. It's 50th anniversary sale starting this week, celebrates 50 years in the same location on Centre Street in Vulcan and 53 years of service to this district.

In 1913 the late John Wolfe Sr. and the late George Pettman established a hardware business on 1st North, about in the location now occupied by Red Line Farm Equipment, in a two-storey frame building. In 1916 Mr. Wolfe bought out the Lindsay Hardware in the Centre Street location. The building was a two-storey frame structure, housing the hardware on the main floor and living quarters above. A vacant lot next door was also acquired and in 1928 the size of the store was doubled to 50 ft. frontage by building on this lot. Mr. Wolfe died in 1958 and management of the store was taken over by his elder son, John. Following a fire in 1961 which did heavy damage to the building and stock, the store was completely remodelled into the present one-storey building and a 40 ft. extension built at the back.

When Mr. Wolfe opened his own business back in 1916 his first clerk was a young man named Del McQueen, now secretary-treasurer of the County of Vulcan No. 2. And from 1923 until his retirement in 1953, Roy Gold was Mr. Wolfe's assistant. To help the present staff of John Wolfe, Ray Wellman, Bill Salvage and Gerry Snow commemorate this 50th anniversary, both Mr. McQueen and Mr. Gold will be at the store on Saturday, May 7; Mr. McQueen acting as cashier and Mr. Gold in his familiar role as clerk.

Ladies Day At Golf Club

A fried chicken luncheon prepared and served by the tournament committee was followed by an executive meeting of the Ladies Golf Club at the first ladies' day of the season held Sunday, May 2.

The club submitted membership dues to the Canadian Ladies Golf Union and members were reminded to turn in their handicap cards from last season.

An afternoon of cards was enjoyed. The luncheon next Monday, May 11, will be served at 1:00 p.m.

APRIL SHOWERS? It makes moisture for the farmers and mud for housewives no matter which way it falls but this snow bit that we experienced last week was too close to a January blizzard to be comfortable. Above on the John Wolfe lawn are the fast disappearing remains of the season's final snowman, we hope. Architects were Deborah, left, Jan Laree and Ryan Wolfe.

New Rate 64 Mills

Town Tax Rate Shows 5 Mill Increase For 1966

A deficit of \$13,000 in operations of the Town of Vulcan last year has resulted in a five-mill increase in tax rates this year. The tax rate this year will be 64 mills, as against 59 mills last year.

The increase is for municipal ex-

penditures, with this year's municipal mill rate being set at 29 mills, compared to 24 mills last year. School remains the same at 30 mills and hospital at 5 mills.

A further breakdown of rates show general government at 26 mills and debenture debt payments at 3 mills, making the municipal rate of 29 mills; School Foundation Program is 24.2 mills and County of Vulcan Schools supplementary requisition 5.8 mills, making the school rate of 30 mills; and Alberta Hospital Benefits Act 3.8 mills, Peter Dawson Lodge 2 and Foot-hills Health Unit 1.0, making the hospital rate of 5 mills.

Total expenditures by the town last year amounted to \$215,346, as against total revenue of \$202,288.

Tax notices will be mailed this month. A discount of 5% applies on current taxes paid within 30 days of the mailing date of the tax notice.

Red Shield Drive Now Under Way

The annual Red Shield Appeal of the Salvation Army is being carried on during the month of May and while Vulcan has no resident Salvation Army officers, this area is served by the Army at High River where Envoy H. Simmons is officer.

In past years a group of Salvation Army workers has canvassed the town and district, however it is hoped a local group may be formed to carry on this work. Allan McAskie is the Vulcan representative on the campaign committee while Cliff Johnson of High River is over-all campaign chairman.

The work of the Salvation Army has been going on for over a century fighting for a cause that is just now gaining prominence by government of Canada and the U.S., the fight against sick minds and bodies brought on by poverty and a loss of Christian principles.

Regular Meeting Anglican Guild

The Anglican ladies met in the Church basement April 27 for their regular monthly meeting. Mrs. Florence Fitzpatrick was in the president's chair and opened the meeting with the Lord's Prayer. A great concern was shown for the senior church communicants who are now unable to participate fully in the aspects of church life. A lengthy discussion took place on ways to show appreciation for their active work in previous years and their continued faithfulness as communicants.

The church cleaning schedule was posted for the next year and it was noticed that the cleaning system of the past three years has worked out very well. A Mother's Day bake table will be held May 7 starting at 3:00 p.m. and all ladies are asked to have their baking at the church hall by 2:30. The next meeting will be held May 25 at the home of Mrs. Allan McAskie with Mrs. Neal Dumka as co-hostess. The ladies spent the next hour happily visiting and enjoying a hearty and delicious lunch served by Mrs. Laycock and Mrs. Fitzpatrick.

Nobody's opinions are worthless. Even a stopped clock is right twice a day!

E. R. Irwin At Seed Growers Meeting, Toronto

Ellwood Irwin of Barons returned recently from Toronto, where he convened a meeting of the executive of the Canadian Seed Growers' Association. Those in attendance at the meeting besides Mr. Irwin, who is president of the Association, were the secretary-manager, Ed T. McLaughlin; the vice-president, Dr. H. R. Klinek of MacDonald College, Quebec, and the executive board officer, Andrew McTavish of Paisley, Ont.

The meeting was convened Saturday, April 23, in the Royal York Hotel and its main purpose was to interview applicants for the position of administrative officer of the Association. The president advises that a man has been selected and hired and his duties are to commence not later than June 1 of this year. His name is to be released around the middle of May and will appear initially in the "Seed Scoop", the official organ of the Canadian Seed Growers' Association. The new member on staff will be replacing Joe E. D. Whitmore, veteran staff member for the past 38 years, who will be retiring later this year.

The president advised that other matters of the Association were reviewed and discussed; chief among these was the forthcoming annual convention at Fort St. John, B.C. on July 6-7-8.

Mr. Irwin has been away on various occasions recently attending meetings on behalf of the Seed Growers' Association at Winnipeg, Saskatoon and Fort St. John.

Mr. Irwin, who farms in the Barons area, was first elected to the board of the Association in 1954, has served on various committees of the organization, became its vice-president in 1963 and was elected to its presidency at Charlottetown, P.E.I. last July.

County Meetings Held

Farmers Say Costs For Dam Outweigh Benefits

Irrigation benefits from a proposed PFRA plan for improving the Uly Dam on Snake Creek east of Vulcan would not be great enough to offset the cost of the land required for enlarging the dam.

This opinion was given to the County of Vulcan Council at its April meeting and came from an earlier meeting of the Agricultural Committee, PFRA officials and a number of the farmers who would benefit from the proposed rebuilding and enlarging of the dam.

R. S. Irwin, chairman of the Agricultural Committee, reported to County Council that the agricultural committee and a number of the farmers concerned had met with Mr. Gray of the PFRA water division, Calgary, and two of his associates. Owners of the land required for enlarging the dam (about 180 acres) had indicated that compensation asked for the land would be about \$23,000. This purchase price for the land would have to be paid by the farmers who would benefit from the extra water made available for irrigation in the immediate area downstream from the dam.

At the meeting, the general opinion of the farmers concerned was that the irrigation benefits would not compensate them for the \$23,000 expenditure. It is unlikely that further action will be taken on the project.

COUNTY COUNCIL MEETING

The Secretary-Treasurer reported to the Council that work was proceeding to process the sale of abandoned school sites to the owners of the land from which the site had originally been separated.

The Council re-iterated its policy to sell the school sites for the sum of \$50 to the owner of the adjacent land and that the County would prepare the transfer and obtain title which would be consolidated with the original title, in accordance with its former policy.

The Secretary-Treasurer read a report from the Architects and Provincial Building Inspectors in respect to the progress of the Brant and Arrowwood school additions. It was noted that there had been no special provision made as to the disposition of the salvage in the schools which would be torn down. This was discussed and it was decided to have Mr. Kerr of J. Stevenson and Associates visit the Arrowwood and Brant sites and instruct the contractor that the County of Vulcan desired the salvage from the two structures.

Mr. Thurber reported on behalf of the School Committee and spoke of the staff situation and the progress which is being made in engaging necessary teachers. Mr. Thurber stated that the School Committee and the Economic Policy Committee of the Alberta Teachers Association had agreed on a new salary schedule for the

1966/67 term and that the formal agreement would be signed as soon as the teachers had a meeting to ratify the action of the bargaining committee.

Mr. Irwin, Chairman of the Agricultural Committee, reported to the meeting that the Agricultural Committee had held a meeting with Mr. Gray of the PFRA water department, Calgary, and two of his associates, and a number of farmers who would benefit from the reconstruction of the Uly Dam. It was pointed out to the meeting that the owners of the land which was required for the reservoir had indicated that the compensation they asked for the land was in the neighborhood of \$23,000 to \$24,000. The general opinion of the members of the Agricultural Committee was that this sum would be required to be paid by those persons who would be benefiting from the dam construction. The general opinion of the farmers interested was that the benefits from the dam would not compensate for the price asked for the land, it was apparent that there would be no further action on this project.

Mr. McNiven, in the absence of Mr. Haga, gave a short report on the activities of the Municipal Committee for the past month. He stated that the road construction was getting under way, that the access road from the highway to the boundary of the Village of Carmangay was practically completed and would be gravelled in the near future.

The committee had also received prices on a tractor with backhoe, post-hole auger and driver attachments. No action to purchase this equipment would be taken until the May meeting.

An invitation from the Old Man River Planning Commission to a meeting and banquet to be held in Lethbridge on Thursday, April 21, was read and the contents noted.

It was moved and carried that the Assessor be authorized to transfer the assessment of a parcel of land owned by Cecil Eaton, consisting of one acre, to Joe Leslie of Mossleigh who had purchased the same and to be attached to farm land. Instructions were also given to cancel the assessment on the building as it had been moved from the premises.

It was moved and carried that the secretary-treasurer be instructed to obtain the necessary information to correct the assessment on the N.E. 13-17-23-4 and the N.W. 13-17-23-4.

By-Law No. 553, a by-law to authorize the donation of \$200 to the Boy Scouts Association Camp Impieza, was passed.

A letter from the President of the Farmers' Union of Alberta in respect to the situation at Pincher Creek concerning the pollution of the air with fumes from the sulphur plant, was considered and

the council took no action to support any representation to the government.

The secretary read a letter from Canadian Pacific Railway advising that it would be necessary for the county to make application to the Board of Transport Commissioners to re-open the railway crossing at the S.W. 15-20-25-4 and that the company would oppose any such application in view of the fact that it was closed by order of the Board of Transport Commissioners in the year 1930.

It was moved and carried that the county make application to the Board of Transport Commissioners for permission to re-open the crossing.

It was moved and carried that Max Kehr's application for approval for a retail license to sell sporting goods such as guns, ammunition and other related equipment at his farm location on the S.E. 30-17-24-4, be approved.

It was moved and carried that the application of A. W. Ulrich for permission to establish a service station at his farm location on the N.W. 9-15-23-4, be approved and also that the council is in favor of approving an application for a small subdivision to permit a separate title for this structure.

It was moved and carried that the proposed power extension to serve the Murray family on the S. E. 18-14-20-4 be approved.

It was moved and carried that approval be given to the Farm Purchase Applications of Henry H. Lindstedt and Darrell F. Maronda.

A letter from Alex Rinaldi, offering to sell his property to the County, was read. The Council took no action on this matter.

By-Laws No. 551 and 552, by-laws of the County of Vulcan No. 2 to authorize the sale of Canal right-of-way in the N.E. 4-16-18-4 to the Manager of the Bow River Development, were introduced, read three times and passed.

The Secretary-Treasurer read a (Continued On Page 7)

Town, Kinsmen Ready

The Town of Vulcan's centennial project of creating two children's playgrounds, one on the north side of town and one on the south side, will get underway this spring.

Centennial grants available for the project total \$6,100, contributed by the two senior governments, the County of Vulcan and the town and development of the parks will be undertaken by the Vulcan Kinsmen Club as their contribution to the centennial program.

One playground will be located in the park next to the swimming pool and the other in the new Robson sub-division. At the May meeting of the town council a Kinsmen delegation of Almond Hyslop and LaVern Scott interviewed town council. Two questions concerned whether or not such playgrounds must be fenced and whether or not wading pools must be supervised. Answers to these queries will be sought from the Recreation Branch of the provincial government and it is anticipated that work on the playgrounds will get underway this spring.

Other Council Business
The secretary was instructed to write the owners of buildings on the south side of the highway entrance road, east of the railroad tracks, asking that these buildings be removed because of their dilapidated and hazardous condition.

Building permits approved at the meeting included that of Willard Equipment Ltd. to repair fire damage to their repair shop. Contractor is Doragatti Construction of Lethbridge and amount is \$3,500.

Other permits were to Tom Jensen for a 6x8 frame porch addition to his dwelling, \$100, and to A. J. Simmons for a 24x28 two-storey house to be moved to Lot 6, Block 38, value \$6,000.

START YOUNG. Contributing to the exhibit of painting by the Vulcan Community Art Group last Saturday afternoon was the work of students of Hazel Cameron Elementary School. A few samples

are shown above and, like their adult counter-parts, their tastes range from the normal life-like figures and scenes to the mysterious realm of abstract design.

Local Art Talent On Display

Variety is often spoken of as the spice of life. It is also the spice of art. Variety in unity, one of the basic principles of art, was indeed the keynote of the paintings exhibited by the Vulcan Community Art Group held on Saturday afternoon, April 30, in the Anglican Church basement. The plastic elements of form, line, color, texture and space had been used effectively to create expressive and fundamental ideas for the many interested viewers.

Artists, too, have individual preferences. It lent wide variety to

the near 100 pictures. The many landscapes featuring the prairie and the mountains, running the gamut of the seasons, offered diversity and enjoyment. Portraits diverse in texture were marked by their subtle nuance of tonal color. The varied still-life arrangements were colorful and lively as the artists used different textures, shapes and color values to produce desired effects of light and pattern.

An interesting display of art, exhibited by the pupils of the Vulcan Elementary School was a welcome addition to the Exhibit. Also

welcome and appreciated was the assistance of Art Scott in the preparation for and the hanging of the pictures on Friday night.

A large crowd attended from far and near: Vancouver, B.C., Medicine Hat, Calgary, Claresholm, Staveland, High River, Nanton, Champion, Ensign and Vulcan. The local Art Group were indeed gratified for such keen interest and appreciation. People came to see and they lingered. One lady was heard to remark as she left the exhibit, "One could just sit and look for hours."

APPRECIATION. The deep interest shown in the public exhibit of the Vulcan Community Art Group last Saturday afternoon, is typified by Mrs. Brian Todd,

above, whose look of concentration suggests she is going to offer \$1,000 for a painting but can't decide which it will be. Held in the basement of St. Aldhelm's Angli-

can Church, the exhibit was extremely well attended by many local and out-of-town patrons who were treated to lunch by the sponsoring art group.

From The Legislature

(By Ray Speaker, M.L.A.)

Four hundred young people, ages 17-20, from communities in Alberta will meet at "The Alberta Seminars for Youth," sponsored by the Alberta Government on May 6 and 7, and May 13 and 14, in Calgary and Edmonton respectively.

The theme for the Seminars is "Pioneers of Canada's Second Century."

The purpose of the seminar is to provide a unique opportunity for the youth of our Province to discuss and debate current, social, economic and moral trends and by so doing, to present their collective viewpoint on these questions to society at large and at the same time assess their own viewpoints and standards in these spheres. They will look at their position today in society and ask themselves — "where do we want to go from here," then — "how do we do it?"

The seminar are well structured to give the young people a chance to freely express themselves.

They will first receive presentations from outstanding authorities. Dr. B. Y. Cord, Associate Professor, Faculty of Education, U. of A., will objectively analyze the social structure. He will be taking the approach that society is a collection of games and then does his analysis of the persons or players in the game, their territories or leagues, the way games are organized, the different goals and purposes of the games, the rules and customs associated with each game and the way these rules and customs are followed, ignored, and changed, and the strategies and tactics that are developed as the games are played.

Dr. C. W. Hobart, Professor of Sociology, U. of A., will discuss the moral values of our society. Dr. D. Smith, Department of Political Science, University of Saskatchewan, will discuss the political and economic trends on the Canadian scene. He will discuss the present-

LETHBRIDGE FLOOD. This was the scene that greeted M. J. Bolduc in 1908 when he was coming from Minnesota to the Travers district.

Heavy rains in June of that year caused the Oldman River to overflow its bank and inundate the river bottom area at Lethbridge.

Now 79 years of age, Mr. Bolduc vividly remembers this flood scene of 58 years ago.

Champion

Mr. and Mrs. H. E. Smith returned home on Saturday after spending the past two months visiting with friends and relatives in California and Arizona.

Mr. and Mrs. Earl Smith, Mr. and Mrs. George Ellis, Mr. and Mrs. Vernon Jordan, Mr. and Mrs. Ron McGrail and Mr. and Mrs.

Don Jantzie of Vulcan spent Saturday evening at the home of Mr. and Mrs. Fred Cartwright in Pincher Creek.

Several couples from the district gathered at the home of Mr. and Mrs. Ken Stephenson on Saturday evening for a house warming. Seven tables were set up for Court Whist with highs going to Mr. and Mrs. Don Clifford, lows to Barbara Groves and Raymond Fath.

Mrs. Louise Bozarth and Mrs. George Harper of High River were renewing acquaintances in town on Sunday.

Rev. and Mrs. Fyke and Tracy took up residence in the new manse on Monday of this week. The old manse has been sold to Mr. and Mrs. Dave Hegland.

Mr. and Mrs. Henry Petkau are being congratulated on the birth of a 7 lb. 2 oz. baby girl, May 2 in the Carmangay Hospital.

Mrs. Bess Siler returned home after spending several days in St. Michael's Hospital in Lethbridge.

Mrs. Betty Petronech spent several days last week visiting at the home of her brother-in-law and sister, Mr. and Mrs. Norm Dodds in Calgary.

Mrs. Eileen Fath and Carole of Calgary visited with relatives in the district on Sunday.

Mr. and Mrs. Bill Deimert, accompanied by Mrs. Betty Sletto and Carole, visited with Mr. and Mrs. Reg Mollard in Calgary on the weekend. While in Calgary Carole attended a Cadet banquet and dance with David Mollard.

ART CLUB EXHIBIT

The champion Art club held its annual Art Exhibit in the Champion Community Hall on Saturday, April 23 from 2 to 9 p.m. This club has membership of 23 with Kurt Hahn of Calgary as instructor.

There were 130 pictures on display of many various kinds and types. About 230 viewers from Calgary, Lethbridge, Nanton, Vulcan, Stavely, Three Hills, Barons, Milo and Carmangay were served tea and lunch at tables tastefully decorated with spring flowers. The picture raffle was won by Joe Boutland of Vulcan.

The Art Club held its annual meeting on May 1. Election of officers took place with Mrs. Edna Warren elected president, Mrs. Daisy Keenan, secretary-treasurer and Mrs. Opal Orcutt, publicity.

Donations were made to the community library and the community hall. Mr. Theissen, janitor of the local school was given a gift in appreciation for the kindness shown the club the past season. Plans were discussed about an outdoor paint class to be held in the summer months in the mountains.

The club will adjourn at the end of May for the summer months.

DANCE OF THE MONTH

The Champion M.I.A. of the Church of Jesus Christ of Latter-day Saints were hosts for the April Rose Prom of the Lethbridge State. Guests from Lethbridge, Picture Butte, Carmangay, Vulcan, Claresholm, Stavely and Champion enjoyed a pleasant evening of dancing to the rhythmic music of the Raymond Canadians.

The local M.I.A. had spent many hours making hundreds of roses and the Cultural Hall looked lovely festooned in garlands of roses in varying shades of pink. Lunch was provided throughout the evening at gayly decorated tables and this was under the direction of Mr. and Mrs. Chris Rodgers.

The evening started with dance instruction from 8:00 to 9:00 with dancing following ably managed by Champion dance director James Minty.

An enjoyable and intricate "Floor Show" featuring Mr. and Mrs. Byron Shurtz and their two daughters, from the Belle Aire Dance Studio of Lethbridge, was greatly appreciated by the large crowd in attendance.

Among special guests from Lethbridge were the YMMIA Superintendent Bruce Steed and the Stake YWMIA President Norma Tanner.

SPEECH FESTIVAL

The Annual Speech Festival of the Mutual Improvement Association was concluded last week under the direction of Ward Speech Director Margery Bateman. Preliminary competitions were held in each class of the MIA and the winner of each class participated in the Speech Festival. The speakers were; from the Scout Group... Ted Findlay who spoke on the joy of the outdoors; First Year Beehives Linda Pitcher on the life of Jane Adams; Second Year Beehives, Marjorie Carlson on the life of Clara Barton. DaVeeda Puzey represented the Mis Maids and her topic was Perservance. Myrna Minty was chosen from the Laurel Class with the topic prayer. The M Men and Gleaners concluded the Speech Festival with a symposium comprised of Lorne Bateman, Karen Bateman and Gracemary Seebeck.

Following the Speech Festival the members met in the Cultural Hall where musical numbers under the direction of Barbara Brown and Emma Smith and skits arranged by Drama Director Elsie Smith were enjoyed.

Stake visitors present from Lethbridge included Stake YMMIA Superintendent Bruce Steed; Stake YWMIA President Norma Tanner with Connie Steed and Ethel Griffin.

M.I.A. FIRESIDE

Chris Rodgers conducted an interesting Fireside Sunday Evening for the members of the Champion MIA.

Many beautiful slides were shown of northern B.C. and the Yukon with an interesting commentary by Chris who is intimately acquainted with this vast, limitless, majestic part of Canada.

A tape with inspirational messages from Church leaders in Salt Lake City ended the evening.

letter from the Marquis Foundation enclosing a copy of the Financial Statement. It was noted that the Foundation had a deficit of approximately \$3,300 for the year 1965 and made a requisition on the contributing authorities to cover the 1965 deficit and provide a small working balance for 1966, of \$4,000.

The County's share of this requisition was \$3,263.48. It was moved and carried that the requisition be approved for payment. It was moved and carried that J. Stevenson and Associates, Architects, be instructed to prepare sketch plans for the office addition for the consideration of the Council. Arrangements have been made to purchase a lot adjacent to the present office.

Councillors considered the 1966 Estimates and approved the budget of the Municipal Committee in the sum of \$650,000, and the budget of the School Committee in the sum of \$1,196,000.

By-Law No. 537, a by-law of the County of Vulcan No. 2 to authorize the 1966 mill rates, was introduced, read three times and passed.

Messrs. Eric Attwood and T. Wilcox, Outside Plant Engineering officials of Alberta Government Telephones, Edmonton, and Don Ward, District Commercial Manager, were present at the Council meeting and discussed with the Councillors the company's policy of burying cable on the road allowances. Mr. Attwood was the principal spokesman and explained in detail the company's procedure in this regard. He showed maps and drawings and roads and the manner in which the cable was buried; in some cases, buried in the shoulder of the road, and in others, on the top of the grade, a foot or two from the edge. The tone of the whole interview was that the telephone company was anxious to co-operate with the local authorities in getting this work done to the best advantage with a minimum of inconvenience to the road builders or the telephone company.

Councillors were very interested in this matter and asked a number of questions regarding special cases and generally received satisfactory answers. Work was proceeding quite satisfactorily at the present time, and one of the main purposes of the conference with the municipal councillors was to obtain information in advance as to proposed road grading so that provision could be made by the company for proper programming and special consideration, where necessary. On the whole, the interview proved to be quite informative and was the means of clearing up a number of points which had been of some concern.

Mr. Deitz thanked the representatives of the company for their attendance at the meeting and expressed the willingness of the County of Vulcan to co-operate with the company in its program of burying the cable as far as is possible.

By-Law No. 558, a by-law to authorize the purchase of Lots 13 and 14, Block 3, Plan 918 A.Y. Lomond, from Mrs. Lillian Hosteler for the sum of \$3,000, was introduced, read three times and passed.

By-Law No. 559, a by-law to authorize the sale of Lots 13 and 14 Block 3, Plan 918 A.Y., Lomond, to Mr. Henry J. Thiessen, Lomond, for the sum of \$3,000, payable \$75 per month with interest at 6% per annum, was introduced, read three times and passed.

SCHOOL COMMITTEE

The regular April 1966 meeting of the School Committee of the County of Vulcan No. 2 was held on Monday, April 11. The meeting convened at 10:15 in the forenoon. Committee Chairman F. N. Thurner, presided and committee members D. A. McNiven, Earl Erickson, A. McAllister, E. W. Prater, E. E. Burriss, George Moses and Ray Wellman, were present. Also present at the meeting was D. D. McQueen, secretary-treasurer. W. P. Eddy, superintendent, was absent from the meeting.

A letter from J. V. Van Tighem,

president of the Alberta Educational Council, in respect to a meeting to be held in Calgary on May 13, was read for the information of the committee. It was suggested that this letter be turned over to Mr. Eddy, superintendent.

A letter from J. W. McKay, Director of the Safety Division of the Department of Highways Traffic Board in respect to driver education in high schools, was read. It was quite a lengthy letter and there was considerable discussion over the proposal to institute some form of driver training in the high schools. The members of the committee were interested in the proposition, and while no specific action was taken at this time, it was moved and carried that the letter be tabled until further notice.

A letter from the Lethbridge and District Association for Retarded Children was read. The letter contained information in respect to the proposed addition to the Dorothy Gooder School at Lethbridge, and solicited support from the County of Vulcan by way of a donation of .50 per pupil per year for three years to assist in the capital expenditure. The members of the committee took no action in this matter.

A letter from Mrs. Sheila Peterson, making application for the position of secretary to the school principal at Milo, was read, and this matter was referred to Mrs. Stebbing, who will be principal next year. Authorization was given to have Mrs. Peterson present for a couple of weeks in June to familiarize herself with the work.

The following resignations were accepted with regret:

Mrs. Anne Green, Vulcan; Mrs. Margaret Smith, Carmangay; Mrs. Dorothy Nickerson, Vulcan; Mrs. Eleanor Bucholtz, Vulcan; Miss Wilma MacDonald, Lomond; Miss Dollina Edge, Lomond; Miss Mary Ellen Forbes, Lomond; Edward Tokarchik, Vulcan; Erwin Unrau, Milo.

It was moved and carried that Mrs. Laura I. Fisher be appointed to the Hazel Cameron Elementary School at Vulcan, to teach Grade one.

The Superintendent's report stated that Leonard Robinson, a bursary student, will be appointed to a teaching position for the next term.

It was moved and carried that Archie L. Husby be engaged as Principal of the County Central High School, Vulcan, duties to commence September 1, 1966.

The following items from the Superintendent's report were considered:

Mrs. A. Stebbing had indicated that she will go to the Principals Leadership Course in Edmonton, July 11 to 22. Authorization was given for the expenditure of \$220.00 to cover the cost.

Leo Burton reports that Dalton Stafford, Carmangay, a student at the County Central High School, wishes to apply for the Andrew Haworth Scholarship. The letter was ordered filed until all applications and marks are available in August, so that the selection may be made.

Patrick McGaffin had expressed an interest in teaching the Opportunity Class next term. This matter was left to the Superintendent. Some of the members of the committee expressed the opinion that the teacher for the Opportunity Class should be a woman.

A letter from Dr. Reese about centennial projects was read. The letter mentioned, in particular, tree planting. The members of the committee took no action in this regard.

A number of applications from teachers in the Philippines had been received. There are a number who seem to be good, but it is hard to tell. The committee might wish to hire one, such as the application from Miss Linda Fermil who is considered to be one of the better applicants from the Philippines.

March attendance was 93.6752%, which is not much below the 95% normal average. Teachers missed 99 1/2 days in March because of illness, which is less than 5%, but much higher than normal, which was probably due to the influenza epidemic.

A request to engage the high school auditorium for a show was not approved.

It was moved and carried that authorization be given to convert the furnace in the teacherage on Lot 5 and Block 15 from hot water to hot air at a cost of \$750, the amount tendered by A. J. Daniels Tinsmith, Vulcan.

Mr. Burriss mentioned that the number of Indian students to be accommodated at Milo should be very few in number, and not more than a small bus load. This information was taken under consideration.

J. O'Reilly discussed various items with the Committee, and authorization was given to fix up the repairman's shop by making more room available for the work area.

A complaint was received in respect to the front doors at the County Central High School, and it was noted that these doors need to be repaired. Instructions were given to bring this matter to the

attention of J. Stevenson and Associates, Architects, with a view to having this condition completely rectified.

Mr. O'Reilly discussed with the committee the painting program for the coming season and authorization was given to organize a painting program and that the wages to be paid to the painters would be determined at another meeting.

It was moved and carried that the School Committee recommend to the County Council that the teacherage situated on Lots 23 and 24, Block 6, Plan Brant 6985 A.G. be sold to Ross Barker for the sum of \$600 interest free, with interest at 6% per annum on arrears, if any.

The Secretary-Treasurer read reports from the Provincial Inspector and the Architects in respect to the progress of the Brant and Arrowwood School additions. It was noted that work was progressing very well and it was considered to be on schedule.

Mr. Burriss drew attention to the teacher load at Arrowwood, and stated that the teachers were complaining in respect to Indian students being more difficult to teach than ordinary students, and there was some dissatisfaction in respect to the number of pupils per room. This matter was to be turned over to Mr. Eddy for investigation.

MUNICIPAL COMMITTEE

The regular April meeting of the Municipal Committee of the County of Vulcan No. 2 was held on Wednesday, April 13. Those present were Donald A. McNiven, who acted as chairman of the meeting in the absence of Ivan Haga, chairman, who was sick with the flu; M. Willard, A. W. Ulrich and F. E. Hubka. Also present at the meeting were M. Dersch, construction foreman, J. J. O'Reilly, maintenance foreman, R. Brown, shop foreman, and D. D. McQueen, secretary-treasurer.

The Secretary-Treasurer read quotations on M.C.2 and M.O.2 paving oil. The quotations were as follows:

Imperial Oil Limited— 16.05c f.o.b. the job site east of Vulcan, 15.95c f.o.b. the job site on the Milo Road.

B. A. Oil Co.— 13c f.o.b. the plant in Calgary.

As the quotation from B. A. Oil Co. was slightly under that of Imperial Oil Limited, it was moved and carried that the County accept the tender of British American Oil Company.

An application for a Texas Gate between Sections 5 and 6-18-18-4 by the Lomond Grazing Association was read. The Association agreed to pay the cost if the County would make and install the Texas gate. This matter was tabled until the construction of the road was completed and the matter taken up with Mr. Deitz, Councillor.

The Secretary-Treasurer read a letter from the Alberta Association of Municipal Districts in respect to the price of culverts for this year. It was noted that the price was increasing from 1 1/2 to 2%.

It was moved and carried that the Committee authorize the survey of the road allowance between Sections 16 and 21-14-22.

A letter from N. H. Bradley, Engineer, in respect to the estimated cost of paving 8 1/2 miles of road east of Carmangay, was read. The matter was noted and tabled for further consideration.

The members of the Committee discussed the probability of paving the access road from Highway 23 to the new boundary of the Village

of Carmangay. This matter was also left until further consideration of the paving east of Carmangay was considered.

A discussion was held over the Agreement for road widening land purchases, and it was decided that each municipal councillor would look after obtaining the necessary agreements from landowners in his division where the roads are being widened.

The members of the Committee discussed the purchase of a tractor with back-hoe, post-hole digger and driver, and decided that this matter should be left until the May meeting.

Ensign-Vulcan Couple Wed At Scarboro United Church

On March 5, 1966 at 2:30 p.m. in Scarboro United Church, Calgary, Daphne Lavone, daughter of Mrs. Robert J. McFadden and the late Mr. McFadden of Ensign was united in marriage to Carson Stuart Horne, son of Mrs. Keith Horne and the late Mr. Horne of Vulcan. Rev. J. T. Irwin officiated.

Banquets of mums and irises in shades of white and blue decorated the church altar. Given in marriage by her brother, Don of Kiltmat, B.C., the bride wore a full skirted gown of chantilly lace and organza. The lace bodice featured lily point sleeves and seed pearl trims. The full skirt was adorned by a scalloped lace flounce caught in front by a rose. A lovely lace bordered train drifted from the shoulders. A cloud veil and floral headpiece accented her gown. She carried a bouquet of pink roses, white stephanotis and ivy.

The matron of honor, Mrs. Barbara McKay and the bridesmaids, Miss Merla Robertson and Miss Linda Gillespie, all of Calgary, wore matching pale green gowns of crepe chiffon over taffeta with a floating chiffon cape accented by pill box head pieces. Yellow mums on a sheath and white accessories completed their ensembles.

The groom was attended at the altar by his cousin, Gordon McKay, as best man. Ushers were Billy Horne, brother of the groom, and Ron Tucker of Red Deer.

During the signing of the register, Carolyn Leslie, of Leslieville sang the lovely Wedding Prayer.

Mrs. McFadden, mother of the bride wore a turquoise dress with black accessories. Her corsage was of yellow rose buds and bronze carnations. Mrs. Horne, the groom's mother, chose a navy suit with black and pink accessories. She wore a matching pink corsage of roses and carnations.

A lovely reception followed at the Stampeder Motor Hotel. Master of Ceremonies was Carson McKay, uncle of the groom. Toasts were proposed by Gordon McKay and Clayton MacLennan, cousin of the bride.

A honeymoon will be spent in points south at a later date.

DISTRICT NEWS

FROM OUR CORRESPONDENTS

CARMANGAY

Mr. and Mrs. Walt Nielsen and Mr. and Mrs. Roy Craig arrived home during the week after spending the winter in Arizona.

Miss Marilyn Hubka of Drumheller spent the weekend at her parents' home.

Get well wishes are extended to Mr. W. W. Miller who underwent surgery last week.

HOME AND SCHOOL

The Carmangay Home and School Association held their regular meeting on April 21 with 13 members present and president Margaret McLeod presiding.

Mrs. McLeod and Mrs. Hazel Lyckman attended the Area Convention in Lethbridge in March and reported that it proved very interesting. Lethbridge will again host the area convention again next year.

Mrs. Elnora Anderson was elected director of Area 11.

Margaret McLeod read a resolution that was put in to the convention by Area 11 which read: "That the new executive each year be elected in January." This means that all Home and School Associations within Area 11 should elect their new executive in January as some elect them now in June while others in September, and this would give the Area 11 a complete list of executives.

The treasurer reported that funds were low so money would have to be raised for graduation exercises and the track meet so it was moved that a bake sale and tea be held on May 20. This day is the Science Fair in the school. Committee to look after this is Vivian McFarland, Ethel Nelson and Elaine Parker.

The meeting was adjourned and moved to the Science room where an art display was shown by students.

Following this lunch was served.

Shower Honors Mrs. Ken Dahl

A miscellaneous shower for Mrs. Ken Dahl (nee Judy Colclough) of Banff was held Sunday afternoon, April 24 in the Bowville School with about 50 ladies attending.

Contests and readings were held by Mabel Svanes and Beverly Mazutinec.

Brenda Silsbe and Valerie Anderson were in charge of the guest book.

A bride doll cake was the centre

60 YEARS AGO. This snappy team and cutter were the equivalent 60 years ago of a young fellow's souped-up hotrod today. This picture was taken at Osakis, Minnesota, on the 19th birthday of M. J. Bolduc, who, after farming in the Lomond-Travers area for many years now lives at Vulcan and celebrated his 79th birthday on April 29.

of attraction on the beautifully decorated table at which the honored guest sat to open the many gifts.

Another bride doll sent by Faye Huntley of Los Angeles enhanced the decor.

Gifts were brought in and presented by Jolayne Anderson and Korla Greene.

Assisting the honored guest in opening her gifts were the groom's mother Mrs. Einar Dahl, groom's sisters, Mrs. Judy Danyschuck, Caroline and Corrine Dahl and an aunt, Mrs. Ruth Dahl.

Judy graciously thanked everyone for the gifts and hostesses for the lovely shower.

Hostesses were Lois Greene, Lettie Bradley, Mabel Svanes, Beverly Mazutinec, Maude Hoyde, Gertie Greene, Sadie Anderson, Lydia Anderson, Merle Greene, Hazel Lyckman and Eleanor Burns. Lunch was served to conclude the afternoon.

FISH AND GAME AWARD NIGHT

The Carmangay Fish and Game held a special Award Night on Monday, April 18. Trophies were presented for the prize winning fish, birds and big game and Dennis Weisser, Fish and Wildlife Officer from Claresholm, presented crests to all those who successfully completed the Hunter-Training Course held here recently.

In the children's pike derby, trophies went to Carson Teskey and Lester Durrell. Men's pike was won by Marvin Anderson.

The stream trout trophies were won by Jimmy Fraser for children and Gilbert McGinnis for men.

In the bird section, trophies went to Earl Brinton, goose, Alex Yanosik, duck and Ken Nelson, pheasant.

Only two trophies were won in the Big Game event. Harold Dunn won for moose and Carl Hebenik for elk.

The Hunter Training Course was held here March 8-18th. Instructors were Alvin Anderson, Jervis Brownell of Carmangay, E. C. Allen, Barons, Carl Nelson and Hartley MacDonald of Champion.

Thirty-two men and boys were enrolled in the course and of these 29 were successful and received crests from Dennis Weisser. They were:— George Andrikson, Kyle Anderson, Keith Binning, Earl Brinton, W. E. Church, Arne Dahl, Lester Durrell, Allan Eglund, Richard Eglund, James Fraser, Boyd Greene, Gordon Greene, Glen Hobbs, W. Holmes, Jonas Hurnanen, Dennis Irvine, Elmer Kananen, Robert Kananen, Ken Kotkas, Larry Lyckman, Stanley Lyckman, D. R. McLeod, Ken Nelson, Arnold Odegard, Robert Parker, Albert Ross, Leonard Saffel, Calvin Teskey and Frank Teskey.

The evening was brought to a close with a film on wildlife. Coffee and doughnuts were served by Elnora Anderson and Sharon Brinton.

It is the part of the wise man to resist pleasures, but of a foolish one to be a slave to them. —Epictetus.

Mrs. Bransted of Shaunavan, Sask., and Mrs. Ogden of Moose Jaw, Sask. spent a few days as guests of the Glen Dishaws.

Mr. and Mrs. Vic Bertrand have returned home after spending a ten day holiday in the U.S.

Mr. and Mrs. Tom Beckner are the proud owners of a 1966 Ford car.

Mr. and Mrs. Robbie Thomson and David of Calgary spent the weekend with the Phillips and Thomsons.

Don Collin of CFAC hosted a band from Calgary on Saturday night in the Community hall which was sponsored by the Hi-C group. A fairly good turnout was reported and enjoyed by the young people.

Mr. and Mrs. Tom Beckner of Calgary spent the weekend with the Tooke Beckners.

Mr. and Mrs. Janus Norton and family of Arrowwood were Sunday visitors at the Erwin Unrau home.

Mr. and Mrs. George Thurlow and family of Medicine Hat were weekend visitors in the district.

Correction in last weeks column. Ivan Thomson is tall twister for the Milo Lion's club for the coming term instead of Walter Goritzka as reported in last weeks news.

Saturday supper guests at the Bill Deitz home were: Colin Campbell, Mr. and Mrs. David Deitz, Don Deitz, Ivan Thomson, Evelyn McCarthy, Donna Armour, Murray Phillips, Mr. and Mrs. Robbie Thomson and Mr. and Mrs. Ken Stumpf.

Floyd Armstrong had the misfortune to upset a truck and tank of water on Monday. Floyd was not hurt and a little damage was done to the truck and tank.

Jackie Hubbard returned home from the Vulcan hospital Monday after spending several days.

Mr. and Mrs. W. Nyman had as their guests on Sunday the formers' sister, brother-in-law and family of Calgary.

Mr. and Mrs. Steve Fluter had relatives from Gleichen visit with them on Sunday.

Mr. and Mrs. John Hubbard had relatives from Calgary spend the weekend with them.

Mr. and Mrs. Don McKay and family were Calgary visitors at the weekend.

A farewell party in the form of a potluck supper was held on Friday night in the community hall in honor of Mr. and Mrs. Tom Beckner who are now making their home at Calgary. After supper a

dance was held until midnight at which time Irwin Sukut, on behalf of the community, presented the Beckners with a gift and a purse of money (also a pot of honey). The Beckners will be greatly missed by friends in the community.

SINGING LUMBERJACK. The lack of musical accompaniment never deterred Charlie Chamberlain as a child—two sticks and a tin pan and he was ready to go. Before becoming a featured vocalist on CBC-TV's Don Messer's Jubilee, Charlie worked in New Brunswick lumber camps where in the evenings he'd keep the other men entertained with his singing and guitar playing.

ARROWWOOD

Get well wishes go to Mervin Norton who is a patient in the Vulcan hospital.

Mrs. S. J. Hayes and Mrs. A. Pobst attended the Guide Commissioners and Local Association meetings in Calgary on Friday and Saturday.

Congratulations to Barbara Knowles and Melvin Williams on their engagement.

We are sorry to hear that Mr. and Mrs. Bert Setters have moved to Calgary, and would like to welcome Mr. and Mrs. Don Laing who have moved into Setters house.

Mr. and Mrs. Dwight Richards attended the wedding of their grandson Byron Irwin in Calgary on Saturday at Bethel Baptist Church. Others attending from here were Mr. and Mrs. Boyden Ingraham, Mrs. Thelma Beacom and Mrs. Amos Ingraham.

The United Church Women met at the home of Mrs. R. F. Williams on Thursday. Routine business was dealt with and reports heard from the different committees. It was voted to send two wool blankets to Mr. and Mrs. Ed Vivier. Mrs. Joyce House gave the devotionals and Mrs. Gladys Curtis had slides and questions on the Indians of Canada which was a very interesting program. A lovely lunch was served by Mrs. Williams and Mrs. D. House.

GUIDE AND BROWNIE BANQUET

On April 25, the Guides, Brownies, parents and leaders met for their annual banquet. Six former Guides and their parents were invited. Other guests were the badge testers of the last two years.

The evening began with everyone singing O Canada, followed by the Fox Lease Grace, led by Patti Lloyd. The banquet was served cafeteria style, with the Guides pouring coffee and the Brownies serving the dessert. Lieutenant Barbara Knowles very capably acted as toastmistress; Brownie Norma Brown proposed the Toast to the Queen.

The program included a report on the highlights of the 1965 Guide Camp at Clareholm, attended by Arrowwood and Vulcan. Gwen Wiebe gave a very interesting picture of camp life. Patti Lloyd then gave an address on New Zealand, the country she is studying as a requirement for her Gold Cord test. Patti had a very interesting and informative display of exhibits. Her aunt, Mrs. Delphine Monroe supplied some of these articles, as she corresponds with friends in New Zealand.

This was followed by a Brownie demonstration, conducted by Brown Owl Eleanor Oberholtzer and Tawny Owl Ruth Williams. They showed the procedure of the weekly Brownies meetings. Debbie Block's name was drawn as fairy queen. Diane Williams then led the Brownies in a game. The following Brownies were presented with awards: Joan Pobst, Gloria Williams, Barbara Ward, Linda Fraser, Lorea Beagle, Norma Brown and Beverly Schmidt.

The Guides presented a skit, telling of Guides in other lands, called The Magic Carpet. Guide Captain Beverly Barr then presented spoons to the following girls who had been members of the Guides till they reached Ranger age: Brenda Roberts, Karen Williams, Barbara Roberts, Marjorie Cochran, Cheryl Williams and Barbara Zahursky.

A highlight of the evening was the presentation of Gold Cords to Cheryl Williams. Cheryl earned this valued award in 1965, but the official ceremony was saved for this annual banquet. Mrs. Hayes, Commissioner for the Bow and Arrow Division made the presentation which was followed for congratulations from the Guide Leaders. Mrs. H. Block, president of the local association, then presented Cheryl with her Gold Cord pin, and wished her every success in the future.

The program ended by singing of the colors and the God Save the Queen. The Guides sang evening.

AN EXCLUSIVE BIO-CHEMICAL
SOIL TREATMENT FOR

Alkaline and Sick Soils

WITH

ENZYMES-SC

ENZYMES-SC (GROZYME)— is a remarkable soil conditioning material that breaks up any type of soil into workable soil... enabling the soil to hold an increased amount of moisture. It neutralizes the harmful effects of Alkali salt and other chemicals in the soil. It is not a fertilizer, normal fertilizing should be carried out as recommended, but it conditions the soil to accept all elements released by the fertilizer.

Experimenting with ENZYMES-SC will prove most rewarding and should initially be conducted on controlled areas to permit comparison of results.

ENSIGN

(Last Week's News)

Jim Ferguson has returned to his home after spending several weeks in Calgary.

Another old land mark has left the Ensign district. The house on the Doug Motter farm built in 1911 was moved to Vulcan on Wednesday, April 21.

Mr. and Mrs. Scott who is employed by Eugene Maclean have taken up residence in the Alex Hagen house.

Several ladies from Ensign sur-

prised Mrs. Odile Paton on Tuesday, April 19, the occasion being Mrs. Paton's birthday. The ladies brought refreshments with them, and all enjoyed the afternoon.

Jim Ferguson accompanied by George Churchill were visitors to Calgary on Friday, April 23.

Mr. and Mrs. Baden Brown and Mr. and Mrs. George Flebotte were on Sunday April 24 supper guests at the Bert Larsen home in Vulcan.

Miss Maxine Atkins has returned home after completing her course at the University of Alberta in Edmonton.

Mr. and Mrs. Harold Hansen, Donald and Darlene were last Sunday dinner guests at the home of Mr. and Mrs. Richard Lebsack in Vulcan.

Mrs. Henry Hansen's brother, George MacIndoe of Vauxhall was last weekend guests at the Hansen home.

Those in the Ensign district who entered painting in the Art Exhibit

in Vulcan last Saturday were Mrs. David Ruark, Mrs. Henry Hansen, Mrs. Jake Heide, and Mrs. Eric Thorp.

Mr. and Mrs. Howard Smith of Calgary were visitors in the district last Saturday.

Mr. and Mrs. Baden Brown were last Sunday dinner guests at the Paton home.

The foundation at the Ensign

hall which was started last fall has now been completed.

THE CASE OF THE BITTER POTATOES

A copy of a letter to a resident of this County regarding potatoes is quite interesting. A problem had occurred, it was simply that the potatoes were bitter. The potatoes were brought to this office and were forwarded to our Crop Clinic. A few days later a reply returned stating the cause of the bitter potatoes. How they should be cooked and used was also included in the letter.

My idea of mentioning this "Bitter Potato" case was not to pass on any particular information about potatoes, but rather to introduce another one of the many services of the Provincial Department of Agriculture. This case was typical of many where specialized knowledge and/or equipment is required to obtain answers to your questions.

As you might well imagine, we don't have all the answers at our fingertips, but there are specialists at strategic locations who do have these answers. These men have the answers to some of our more uncommon problems, especially in the line of plant diseases and plant insects and as well as special veterinary problems. Even when we are sure of the identity of the problem, we intend to submit a specimen to the appropriate lab. This way we can be sure that our advice is tempered with the most up-to-date information available.

By the way, if your potatoes are bitter, the reason is very likely a higher than usual concentration of salanine, a chemical which is in all potatoes to a limited extent. In some potatoes there is more salanine than usual this year. So, if you have bitter spuds, it's best to not use bitter potatoes for baking or bitter potato water for soups or gravies. If the potatoes aren't too bitter, much of the salanine can be removed by changing the water in which the potatoes are boiled several times while cooking them.

BURSARIES, SCHOLARSHIPS AND LOANS

There are at least 50 scholarships and bursaries available this year to young people in this county. Many are specifically set up for certain groups, such as 4-H members or former members. There are many which are very broad and are not very restrictive as to what further training you take or where you take your training.

The types of assistance is in three main groups; Section A includes these specifically designed for 4-H members; those in Section B are available to anyone who is eligible; and Section C refers to loans and prizes provided for under the Students Assistance Act.

We have application forms available here at this office for anyone eligible or interested. Remember, every year there are some of these scholarships and bursaries which are not claimed, don't miss a good deal, apply now.

BRIEF ITEMS OF LOCAL INTEREST

Mrs. Ella Lewis of Burnaby, B.C. was a visitor at the home of Jim and Melba Stein for a few days recently.

Guests at the home of Lil Schuler and Sue Fletcher were their sister and brother-in-law, Betty and Harris Kroon and three boys of Regina, and Carol and Jack Rugg from Calgary.

Mrs. D. O. Jantzie spent the weekend at her home in Vulcan with her family and friends, but returned to the Auxiliary hospital in Lethbridge to continue her therapy treatment. Mr. and Mrs. Michael Jantzie and children of Medicine Hat were also visitors for the weekend at the Jantzie home.

Mr. and Mrs. O. Lerohl were weekend visitors at the home of their son and daughter-in-law, Mr. and Mrs. Roy Lerohl, who now reside at 304 26th Ave, Calgary.

Mr. and Mrs. Herb Palmer and Bill of Baines Lake, B.C. were hosts to friends and relatives at a recent Chinese dinner served at the Royal Cafe. Among those present were Mrs. Kay Woodman, Mr. and Mrs. Don Woodman, Mrs. Addie Simm of Bowness and Mrs. Lorraine Fulton of Calgary.

Mr. and Mrs. F. L. Simington of Calgary were weekend guests at the home of their son-in-law and daughter, Mr. and Mrs. Jim Clark and while here called on Mrs. Etta Hill and other friends.

Mr. and Mrs. Donald Houlton have moved to the Houlton farm east of town, and Mrs. Helen Pearson and family have taken up residence in the house vacated by the Houltons.

Mrs. Betty Roskin of Edmonton visited with her parents, Mr. and Mrs. O. A. Craig and other relatives here, last week.

Friends of Mrs. Pat Roe will be sorry to learn that she underwent surgery at the General Hospital in Calgary the first of the week.

Lorne, the young son of Mr. and Mrs. Eric Diemert, is presently confined to the local hospital as the result of a bad fall from a merry-go-round that he was playing on.

Mrs. Guy Voisey has returned from a holiday spent at the Banff home of Mr. and Mrs. Don Munro.

Mrs. Don Primrose and family of Rumsey are presently guests at the home of the former's parents, Mr. and Mrs. George Klemmele and while here also visited friends at Milo and Lomond.

WEDDING ANNOUNCED

Mr. and Mrs. Nels Nelson of Milo announce the engagement of their daughter Norien Grace to John Malcolm Campbell, son of Mr. and Mrs. William Campbell of Mossleigh. The wedding will take place on June 3 at the Lutheran Church, Milo. 39-1x

WEDDING ANNOUNCED

Mr. and Mrs. George Stokes of Armada are pleased to announce the engagement of their daughter, Mavis to Richard Thurlow, son of Mr. and Mrs. S. Thurlow of Travers. The wedding will take place on Saturday, May 21 at 5 p.m. at Bethany Lutheran Church, Lomond, Alberta. 39-1p

Bud Booth has returned to his farm after spending a week at the Calgary home of his son-in-law and daughter, Mr. and Mrs. Ken Jesse.

Mr. and Mrs. Keith Healy and family were Sunday guests at the home of the latter's parents, Mr. and Mrs. Jesse Lahd at Queens-town.

Mrs. Ross Clark, Mrs. Robina Hutton and Mrs. M. Corner were Sunday dinner guests at the George Dingwall home.

Friends of M. R. Morrison will be sorry to learn that he is again confined to the local hospital.

Mrs. A. C. Marsh, Mrs. C. L. Kuykendall, Mrs. J. Beatty and Mrs. C. Matlock attended the Zone Rally of the Ladies Auxiliary to the Canadian Legion at Fort Macleod Wednesday evening.

Friends of Mrs. A. Knive will regret to learn that she had the misfortune to fall and break an arm last week. She is now convalescing at her home and Mrs. A. R. Mainland is caring for her.

Mr. and Mrs. Ron Marshall of Calgary visited the former's mother, Mrs. Jack Marshall in hospital here, on Sunday.

Friends of Del Graham were shocked to learn last week that he had suffered severe injuries in a fall from a ladder. Apparently he had stood the ladder in the back of a truck to enable himself to do some repair work to the machine shed. The ladder slipped, throwing Del to the ground and he sustained a broken hip and fractured arm. He is now in hospital in Calgary.

Mr. and Mrs. Lorne Healy, Sr., and Mr. and Mrs. Lorne Healy, Jr., and family were Sunday guests at the Louis Ivers' home at Milo.

Mr. and Mrs. Bob Dann and children of Craddock were weekend visitors at the B. B. Dann, Sr., and Dave Crabb homes.

Mrs. R. Minty and daughter have taken up residence in the Hanna suite.

Mr. and Mrs. Les Marshman of Calgary were weekend visitors at the Earl Erickson home.

TODAY'S BABIES

WILL LIVE LONGER

Each one gets much better care than in the past. Before birth mothers take special vitamins and minerals to give baby a healthier body. After birth baby has the benefit of much increased medical knowledge and new immunization agents to ward off sickness. Modern drugs can now cure diseases which used to be fatal.

We stock many vitamins, medicines and baby-aids that will help babies to live longer, healthier and more comfortable lives. Visit our baby section where we display many new products babies need. Whether a nipple, a baby thermometer or a special baby prescription you can get it here.

Your doctor can phone us when you need a medicine. Pick up your prescription if shopping nearby, or we will deliver promptly without extra charge.
